Qualifications required:

- ✓ intercultural experience
- ✓ experience in evangelism / discipleship
- ✓ be relational
- ✓ be a team player
- ✓ willingness to learn German - possibly alongside refugees who do the same.
- ✓ knowledge of Arabic or Farsi highly appreciated.

Situation:

Berlin, the German capital, is a vibrant multiethnic city, well over a third of her 3.5 million inhabitants being migrants or of migrant background.

VISIONEERS is a non-profit organization in Berlin, and stands for Christian values such as mercy, honesty, fraternity and social responsibility. Since mid 2015 VISIONEERS has developed increasingly more programs to support refugees as well as collaborating with refugee shelters, churches and other organizations. They are running weekly activities for refugees (sports, music, sewing, language classes, mentoring programs etc.). They need help to further develop the spiritual side of their ministry in worship, Bible studies and services.
