

Needed:

Refugee Networker Schweinfurt, Bad Kissingen

Please note:

DMG does not provide paid employment but acts as a link between sending and receiving organisations

Goals:

Promotion and coordination of work among refugees and migrants

- ✓ With refugees: plan and implement evangelistic work; discipleship training (particularly with MBB's); coordination of offers of practical help
- ✓ With the churches: network and coordinate activities; motivate, consult and train church members in intercultural sensitivity, evangelical tools (e.g. seekers courses, Al Massira), integration into the church and community
- ✓ With a team: build and lead a German-international team; create international short-term possibilities

Requirements:

- ✓ good Biblical foundation
- ✓ missionary heart and experience in evangelism
- ✓ discipleship and mentoring experience
- ✓ net-worker
- ✓ relational, communicative, team player
- ✓ intercultural experience and competence, particularly in Muslim context
- ✓ well organized, yet flexible
- ✓ some knowledge of German language—willing to learn

Situation:

The number of refugees in Germany continues to increase. Many have little or no contact with Germans. Lack of cultural awareness and language on both sides increases fear, mistrust and misunderstandings. Churches often feel overwhelmed and don't know how to reach out.

AGB (Arbeitsgemeinschaft der Brüdergemeinden) A branch of the Brethren church in Germany which is part of the evangelical free churches. The group encourages the individual churches to work together and encourage one another to fulfill all their God-given tasks, especially evangelism and church planting. AGB has 145 churches and ca. 9000 members.
